COUNTY NEWS IN REVIEW

Assessor Dies

Daniel P. Flynn, San Mateo county assessor for the past 23 years, died at his home Friday afternoon. He had served continuously since 1916, facing opposition only once in his long career of public service.

Shortly after more than 500 persons had paid him final tribute Monday afternoon, the board of supervisors by unanimous motion appointed his son, Martin Flynn, to succeed his father in office.

Sunnyvale

Decision as to whether an aeronautics research laboratory will be established at Sunnyvale may be reached this week when the National Advisory committee on Aeronautics meets in Washington.

Representative John Z. Anderson of California indicated he believes there is little doubt that the final decision will place the laboratory at Sunnyvale.

County Benevolence

Far from being niggardly in its care of unfortunates, as might have been implied in recent discussion of health and welfare services, San Mateo county is actually very generous in this respect, spending more than half its total budget for benevolences, according to Matthew H. Harris, president of the Civic League of San Mateo county and director of the California Tax Payers association. He sets a percentage of 55 to 57 per cent of the total budget as being devoted to benevolent purposes.

Tax Increase

Possibility of a county tax rate increase of nearly 14 cents was seen last week in a study of tentative figures before the board of supervisors at Redwood City. Yet to be determined was whether or not an item of $38,000 should be included to pay the county's 1940-41 share of Coast highway construction.

Call to Arms

A call to arms to halt the alarming forward march of traffic fatalities in San Mateo county was issued this week following an emergency meeting of the County Traffic Safety commission at the courthouse Friday night.

Submitting a full report of accidents throughout the county this year, the commission urged that appeals for safety to cut the rising toll on local highways be made from church pulpits and from the platforms of all public meetings in the county.

First Prize

San Mateo county's Forty and Eight Societe, Voiture 393, was awarded first prize for originality at the big American Legion convention parade in Oakland Saturday night. More than forty members marched, carrying signs advertising their county. The drum and bugle corps of San Mateo county won second prize for that unit.

Larry G. Reilly, Daly City, was marshal of division No. 5, in which the county unit marched.

Leo Cuneo Victim Of Heart Attack

Funeral arrangements for Leo Cuneo, 37, 424 Bellevue avenue, are being made at Angels Camp, his boyhood home, following his death in Alemany hospital.

The victim of a heart attack, Cuneo collapsed last Saturday near his parked automobile at Mission street and Onondago avenue. Rushed in an ambulance to the hospital, he died shortly afterward.

His widow, Mrs. Cuneo, who is a sister of Mrs. Frank Tatone, Bellevue avenue, survives him. Mr. and Mrs. Cuneo have lived in Daly City for the past 12 years.

Market Street Railway Cars Crash at Top of the Hill

Daly City Woman Injured As Car Hits Open Switch

One person was taken to the hospital and two Market Street railway cars were damaged as the result of a street-car crash on Mission street near Hillcrest drive, at 9 a. m. Thursday.

Mrs. Emma Baldocci, 45, 29 Oliver street, was injured when a northbound No. 14 car went through an open switch to crash into a southbound No. 40 rounding the curve at the top of the hill. Other passengers were shaken, but no further injuries reported.

The victim was rushed in a Mission ambulance to the Villa sanitarium. She had lost her voice and was suffering from shock and mild concussions.

There is plenty of room for the two cars to pass on the curve, according to the Daly City police department. The switch had been left open by the preceding No. 14 car on its way to the car barns at Geneva avenue.

The two cars in the crash were towed to the car barns for repairs.

Junipero Extension Studied by District

Although the extension of Junipero Serra boulevard was held a vital necessity for the future growth of San Mateo county, it was decided at the meeting of the directors of Joint Highway District No. 10 last Thursday night, that the proposed outlet at the north boundary of Burlingame was, in all probability, an error.

The meeting was presided over by Andrew J. Gallagher, with Supervisor Jack Lynch, secretary; Supervisor A. Roncovieri, treasurer; San Mateo county engineer, U. S. Grant, and the district's engineer, M. D. Johnson, in attendance.

An immediate step for a new study was made with the appointment of engineers U. S. Grant, John J. Casey and M. D. Johnson to form a committee with the objective of finding a new outlet north of Burlingame and south of Millbrae, possibly Milbrae avenue, as a feeder-outlet into El Camino Real. It was suggested that San Mateo county make an independent survey.

"San Francisco's destinies lie down the Peninsula," said President Gallagher. "We recognize the fact that traffic congestion on most parts of El Camino Real in San Mateo county is largely from northward and southward San Francisco traffic. We will do everything in our power to alleviate the roads and traffic problems that confront San Mateo county."

Authorities Discuss Low Rent Housing

What low rent modern housing will mean to families of low income, as well as to San Francisco's business life, will be discussed by Langdon W. Post, consultant for the United States Housing Authority, at a mass meeting next Tuesday, August 22, at Scottish Rite auditorium.

The meeting is sponsored by the San Francisco Housing association and various civic, business, professional, welfare and union labor organizations.

Library Offers Many New Books

Have you seen Ferdinand?

If not, the Daly City library can supply you with the justly-famous little book whose charm has made it millions of friends throughout the world.

Nor does the Daly City library stop with Ferdinand. Scores of other entertaining volumes have been acquired within the last year and are now available to the public.

Among the more popular of the recent best-sellers, according to Mrs. Jean O'Rourk, librarian, and her assistant, Miss Mary Lewis, are the following new books, now being circulated:

The Land is Bright, Binns; Bitter Creek, Boyd; The Patriot, Buck; The Far Down, Corbett; Blue Water, Deeping; Rebecca, DuMaurier; All This, and Heaven, Too, Field; Seasoned Timber, Fisher; Snow-Water, Gardiner; Mr. Emmanuel, Golding; The Tree of Liberty, Page; Harlequin House, Sharp; My Son! My Son!, Spring; and Address Unknown, Taylor.

Mayor, Wife Join Little Theatre

When the mayor and his wife go for it, you know it's good!

At any rate, that seems to be the attitude of Daly Cityites flocking down to the Recreation office to sign up for the Little Theatre group now being organized by Enid F. Tandy, local Recreation director.

Mayor Paul G. Selmi and his wife were among the first to indicate their interest in participating. It is hoped that actual play production may be started by September 1, Tandy stated.

Tandy also pointed out that it is not necessary to be an actor, or even an aspiring actor, to join the group. There are many other activities in producing a home-talent play, he said, that are a lot of fun. Anyone interested should contact the Recreation office, 101 Parkview avenue, telephone DElaware 1433. There is no charge for any Recreation activity.

Jeff Hi Gymnasium Open in Evenings

The Jefferson Union high school gymnasium, closed last week for cleaning and painting, re-opens this week for regular evening activities, according to Enid F. Tandy, director of the Daly City Recreation department.

The Boys' club will hold its regular meeting there tonight, he stated.

Voters Urged To Register Now

Are you registered?

If you failed to vote in either the primary or general election of 1938, then you are NOT now registered.

If you have changed your residence since you last registered, and have not notified your county clerk, then you are NOT registered.

AND, you have only until September 28 to do it, the last day on which you can qualify for voting in the special election called by Governor Olson for November 7.

Check your registration NOW, with your city clerk, or deputy nearest your home.

Exposition Plans Autumn Festival

The California World's Fair is going to turn back the clock. Designed to give 1939 fair-goers a spicy taste of what their forebearers enjoyed in the way of expositions, the Treasure Island show is planning a rip-roarin' Autumn Festival featuring things you've read about but seldom, if ever, seen.

Three days have been set aside for this event—Friday, Saturday and Sunday, September 23-25. Tied together by the central theme of an old-fashioned "Country Fair"—as distinguished from the more modern "County Fair"—unique competitive and entertainment meets are now being planned.

"Rural Olympics"

Perhaps the most promising of the projects is the "Rural Olympics," a competitive program open to both sexes, all ages, country and city people alike. The tentative program includes such events as:

Sheep-dog trials, sheep-shearing, log-sawing, log-rolling, tree-chopping, rock-drilling, milking, butter-churning, archery, slingshot contests, corn-husking, taffy-pulls, horse-saddling, hog-calling, rolling-pin throwing, tug-of-war, three-legged races, sack races, pie-eating, apple-bobbing, horse-shoe pitching, chicken-pitching, melon-eating, cheese rolling, net winding and casting events for fishermen, fly and bait-casting for other varieties of fishermen, an old-

Councilmen Declare Themselves On Transportation

Gas Piping, Plumbing Ordinances Delayed For More Study

Contemplating the purchase of transport busses for Mayor Selmi's municipal bus plan to solve the local transportation problem, the city councilmen Monday evening expressed individual opinions on the proposal.

Mayor Paul Selmi, " . . . I am ready to act now. Our transportation problem has reached an acute stage. We're trying to do something about it."

Councilman Henry Sundermann, " . . . I remember twenty years ago when opposition, just such as we are now facing, was brought into play against a proposal to establish a municipal water system. Today our municipal water system is netting $20,000 a year and furnishing this city with an abundance of excellent quality water. Let's try the busses."

Councilman Julius Twesten, ". . I'm in favor of attempting the bus system as a solution to our transportation needs. I believe such a plan will be a step forward in the progress of our community."

Councilman Fahey, " . . . I'm against the bus plan because I do not think it will be a financial success."

Councilman Cavagnaro, " . . . I suggest we appoint a citizens' committee to give the bus plan more study. I appreciate the fact that Mayor Selmi is trying to solve the transportation problem, but I'm not yet ready to vote in favor of or against the plan."

It is expected that a decision regarding the purchase of the busses and the pushing of other detail necessary to start actual schedules will be made at an adjourned meeting of the council next Monday evening.

Ordinances

Final reading and voting on an ordinance regulating the installation and connection of gas piping was laid over on request of W. J. Logue, business agent for Journeymen Plumbers and Steamfitters of San Mateo county. Logue stated that he expected the board of supervisors to act on a county gas piping ordinance in the near future and requested that the city take no action until a uniform county code was proposed. A. M. Harrison, local plumber asked that Engineer Castelan be authorized to inspect gas piping as well as sewer installation. The council granted Harrison's request and authorized Castelan to make such inspections.

Improvements

Engineer Julius Castelan initiated three improvement items and was granted permission by the council to proceed on all of them. 1. To paint the fire alarm station adjacent to the city hall. 2. To include toilet and drinking facilities in the Brunswick-Acton park project. 3. To apply for an SRA project on the construction of the new pound.

Councilmen voted the purchase of a Plymouth truck from James Donahue to be used by the Water department. Board members announced their intention to force action on sewer installation along Junipero Serra boulevard north of School street. A resignation from C. J. Brady, Fire Company No. 5, was accepted on the plea that Fireman Brady was out of town most of the time.

Tumbling Class Doubles in Size

The original number of students in the acrobatic groups at the Jefferson Union high school gym have been doubled by eager youngsters who wish to learn the fascinating art of tumbling, according to Enid F. Tandy, director, Daly City Recreation department.

The tumbling sessions have been divided into three groups meeting daily at the Jefferson Union high school gymnasium. Beginners meet at 1:30 to 2:30 p. m.; intermediates, 2:40 to 3:40 p. m.; and advanced classes 3:40 to 5 p. m.

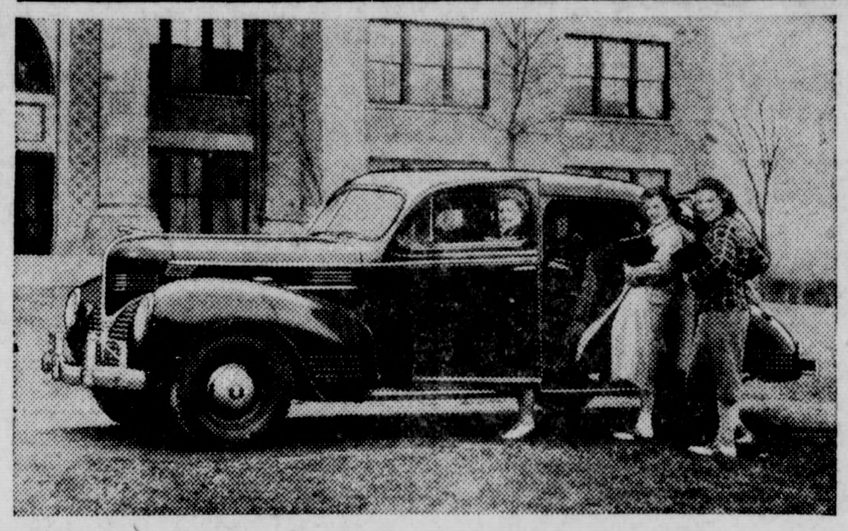
Where There's A Will—



When Keuka College, in the Finger Lakes Region of Central New York, found it necessary to curtail bus service to Penn Yan, the nearest village, the decision, coupled with the faculty's ruling against hitch-hiking, created a serious transportation problem.

Then a financial wizard arose from the student body. Result: The girls, with the co-operation of the College, engineered the purchase of a new 7-passenger Dodge sedan. Each girl buys a minimum of fifty ride tickets annually. The proceeds pay for operation and maintenance, also the installment on the purchase deal. The Dodge makes six scheduled shuttle trips daily.

ICE FOLLIES PREPARE TO LEAVE S. F.

Dazzling Revue Sets Record Of Sixteen Weeks

With their visit here cut short by demands for tour appearances, star skaters of the Ice Follies, now at Winterland in San Francisco, prepared yesterday to set out for the East and waypoints.

The dazzling ice revue which has enthralled some 300,000 persons during its record-breaking local run, is now in its last two weeks here. The show completed its fourteenth week August 17, and will have set an all-time mark of sixteen weeks when it closes, only to re-appear in thirty other cities.

Many persons among the huge audience viewing the Ice Follies have had their first taste of the winter glory they knew only by story and picture. Winterland, at Post and Steiner streets, where the show appears, has been transformed into a palace of ice, with lavish snow scenes and an ice floor in which beautiful designs have been worked out in color. Glittering costumes, intricate lighting and special music contribute to the spectacular effect.

"GREATEST MONEY-SAVING DODGE OF THEM ALL"

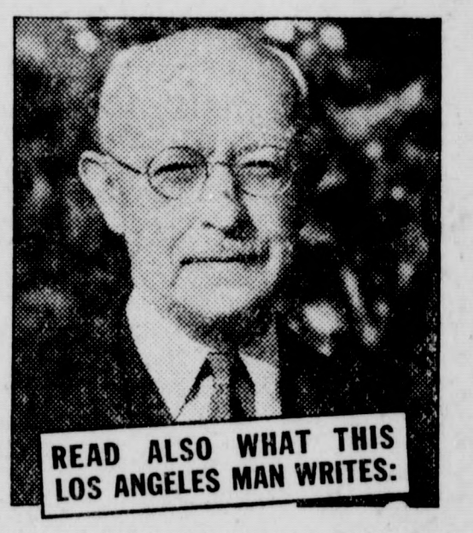
Mr. Roy Pacini, Geneva and Sunnydale Nurseries
Glad He Decided on Dodge!

"My 1939 Dodge is king of the highway on every score," declares Mr. Pacini. "Luxurious comfort and unbelievable economy make it the greatest automobile value I have ever bought. On a recent mountain trip I learned what driving comfort REALLY is--feather touch steering, no side sway, riding ease comparable to my lounge chair. My Dodge is a gas saver, too."

These expressions typify the experience of Dodge owners in this city—and elsewhere. They demonstrate that, in spite of longer wheelbase, and longer, wider body, the 1939 Dodge Luxury Liner lives up to the famous Dodge reputation for gas and oil savings!

New Ideas!

But economy is only part of the story. This big Luxury Liner is packed with new ideas—ideas that insure greater driving ease, more comfort, still greater safety! For example, the new handy gearshift at the steering wheel... the new "Safety Signal" speedometer... new invisible luggage compartment, 27% larger... new headlights for safer night driving



"In my opinion, Dodge is second to none in eye-appeal and class...and when it comes to economy, it is still the great gas-saving car," says T. L. Cook, Los Angeles. "What really surprised me, though, is the fact that here is a bigger Dodge in every way, yet is using less gas and oil than any car I ever owned. Even the great economy Dodges of the past never gave me such low operating costs as I'm getting right now!"

...and many other new features!

But that's not all! Take a look at the price tag! You'll be amazed ...because this bigger, finer Dodge costs *even less* than last year!

Ball-Playing Printer

"Lola" Petrocchi, printer for the Daly City Record when he isn't a "one-man ball team", pitched an ace game Friday night in the semi-pro championship tournament at Seals Stadium for the Owl Drug team.

"Lola" pitched a 5-hit game, struck out 12 and hit a homer, a double and a single to drive in four of the Owl runs. He scored one run himself as the Owls beat the hitherto unbeaten Longshoremen, 6-1.

Colma Merchants Tie With S. F. Team

In an exciting game that left spectators breathless and the final score 5-5, Colma Merchants and the Acme Grill team of San Francisco fought on the Jefferson Union high school grounds Sunday morning for baseball supremacy.

Although the teams appeared evenly matched, it is thought that with a little practice, the home-town boys will out-distance the San Francisco team. The Colma Merchants have been organized only a few weeks.

Lineup of the Merchants was: Conti, Preston, Schultz, Cullen, Gianni, Johnson, Fahey, V. Garibaldi, Martini, Bocci and Massini.

D. C. Merchants Defeat Infantry

Nearly two hundred baseball fans were down at the Jefferson Union high school diamond Sunday afternoon to watch the Daly City Merchants defeat the 30th Infantry, 6-1, in one of the most interesting games of the season. Up to the sixth inning no runs had been made by either side.

Line-up of the Merchants was as follows: J. Lucia, R. Guisti, T. Compagno, Patty, S. Hawley, H. Krohn, S. Lucia, H. Schubach and C. Davies.

S. F. Celebrates Century of Baseball

Baseball's one hundredth anniversary will be celebrated in a big way Sunday, September 3, at Seal's Stadium in San Francisco.

The event will feature a spectacular pageant depicting a century of baseball, a double-header between the San Francisco Seals and Oakland Acorns and will be signalized by popular tribute to Charles Graham, president of the San Francisco Baseball club.

Under the sponsorship of the San Francisco Junior Chamber of Commerce, the pageant will be staged between the double-header games. A cast of more than three hundred will dramatize the historic events of baseball from the "Town Ball" game at Cooperstown in 1839 to the modern league game of today.

The Recreation Department of San Francisco through Miss Josephine Randall, superintendent, has announced postponement of all industrial league games on September 3 in favor of the anniversary celebration.

Trap Shooting Opens at Belmont

Sportsmen may now enjoy trap shooting contests every Saturday and Sunday at Belmont, using the new .22 calibre trap shooting gun, it was announced today.

Proceeds of the shoot will be used to help finance the elaborate sportsmen's show which will be a highlight feature of the San Mateo County Fiesta, September 21 to 24 at Bay Meadows.

The new gun and skeet, an exceedingly economical method of participating in the sport, opens the shooting ranges to many more sportsmen than was heretofore possible.

The Bay Area club is made up of players from Colma and San Francisco, under the management of P. Cracciolla.

Olivet Park Team Wins League Game

Olivet Memorial Park softball team won its first League game last week, when it defeated the Y. M. I. team at Burlingame with a score of 16-4, a smashing victory for the local boys.

Lineup of the team included Grossman, Jensen. A. Banfield, B. Wester, Drago, Giusti, Barghini, Perata, N. Banfield and L. Wester.

Jr. Game Patrol Guides at Fiesta

More than 75 members of the Junior Game Patrol, attired in smart uniforms which resemble those of the Northwest Mounted Police, will serve as guides at the wild life exhibit at the San Mateo County Fiesta, September 21 to 24, according to an announcement made today by Richard Fischer, president of the Consolidated Sportsmen's Club of the Peninsula.

The Junior Game Patrol is comprised of boys and girls between the ages of 18 and 21, and has gained a high reputation for its precise drill work, which will also be a feature of the Fiesta.

The clubs which make up the Peninsula group and which are working in the unusual sports program, include the rod and gun clubs of Daly City, San Bruno, San Mateo, Palo Alto, San Jose and Coastside, as well as the San Carlos-Belmont, Redwood City and Los Gatos clubs.

A flycasting contest, archery tournament, skeet shooting and drills by the Junior Game Patrol will be staged against a picturesque background of conservation displays.

In conjunction with the Sewing club, Crocker P. T. A. held its first regular meeting of the year last Tuesday at Sigmund Sterne Grove, with an attendance of more than forty mothers and children.

The day was well filled with games and singing, planned by Mrs. Otha Kinsey, program chairman for the unit, and Mrs. Mildred Seiler, president. The day was thoroughly enjoyed, according to members.

At a short business meeting, Mrs. Seiler appointed life members of the unit to act with the life membership committee this year in choosing other candidates for the honor.

Mrs. Julia V. Jordan, chairman of the Sew and Sew club, announced that a meeting of the group will be held at 10:30 a. m. tomorrow at her home, 572 Bellevue avenue.

The representative from Crocker who will accompany the president to the first district meeting in September will be Mrs. Florence Thorsen, vice-president, it was announced.

Girl's New Hat Causes Accident

Blaming her predicament on her new hat, 26-year-old Julie Welton, 44 Gambetta avenue, last week pleaded guilty and then not guilty before Municipal Judge Hugh L. Smith of San Francisco to a charge of reckless driving which resulted in an accident last Wednesday at San Jose avenue and Goethe street.

At first the young woman admitted she was guilty of reckless driving when her auto struck and overturned another driven by Leo Moxsy, Fresno, saying she believed her new hat obscured her view. When Moxsy failed to appear to prosecute, she changed her plea and the charge was dismissed on promise she would not wear the hat again while driving.

Amateur Growers To Display Blooms

TOGETHER FOR FIRST TIME

Jean Arthur and Cary Grant are co-starred together for the first time in the new Howard Hawks production, "Only Angels Have Wings," which comes to the screen of the Daly City theatre tomorrow. They appear against the romantic background of tropical South America. Also featured in the Columbia picture, a story of reckless adventure in the skies, are Richard Barthelmess, Rita Hayworth and Thomas Mitchell.

Tropic Romance At D. C. Theatre

Hailed as "1939's greatest screen adventure" by preview critics, Columbia's new Howard Hawks production "Only Angels Have Wings" has its Daly City premier on Thursday at the Daly City theatre. Cary Grant and Jean Arthur, appearing together for the first time, are starred in the new film, said to be compounded of tropical romance and thrilling adventure in South America.

"Only Angels Have Wings" concerns a commercial aviation field operated in a little South American banana port by Cary Grant. His pilots are a desperate crew of devil-may-care adventurers willing to fly any old crate with wings into any sort of weather. Jean Arthur, a show girl whose troupe has broken up farther south, arrives on the weekly banana freighter en route to Panama. She falls in love with Grant and decides to stay. But Cary, a confirmed philanderer, turns his attention to Rita Hayworth, the wife of Richard Barthelmess, one of his newly arrived fliers.
